EXPERIENCE

Senior Product Designer

Nory, 06/2023 – current

As the sole product person in the team, I lead the vision, manage roadmap and design 0 to 1 products for the workforce management vertical, helping company going from seed to Series A (Series B incoming).

Senior Product Designer

Qonto, 11/2021 – 05/2023

Senior product designer for the Finance Management vertical. Created a new product that led to 52 pricing upgrades in 1 month (2.5%).

Founding designer

KYSO, 10/2020 – 11/2021

Led the overall strategy and vision for the product, including design, usability decisions, and defining features' roadmap.

UX/UI Designer

Kantox, 07/2019 – 10/2020

Discover, define, develop and deliver user-friendly design solutions for a currency management automation B2B SaaS.

Web Designer

Barnes Wealth Management, 09/2017 – 11/2018

Managing online and offline marketing activities, through web design and digital marketing, for a financial planning practice.
